3M RV/Marine Water Filtration Named Supplier To Land N' Sea Distributing, Inc.

Meriden, Conn. (August 13, 2007)—3M RV/Marine Water Filtration, one of the leading suppliers of water filters for recreational vehicles and boats, today announced that it has been named an official supplier to Land N' Sea Distributing, Inc., part of the Brunswick Corporation.

As a result, Land N' Sea currently sells three of 3M's biological reduction, one chemical reduction and one chlorine taste & odor reduction filter models and replacement cartridges, including: Whole Vehicle Models - WV-B2, WV-B3 and WV-A3; Dedicated Faucet Undersink - USF-C; and Undersink Full Flow/Uses Existing Galley Faucet - US-B1.

"As the industry leader in wholesale distribution of marine parts and accessories, it is essential that we provide the highest quality products to our customers," said Blake Moore VP of Sales & Marketing for Brunswick Boat Group. "3M water filters provide quality water for multiple purposes, providing our customers, both consumers and dealers, the value they deserve."

"Working with Land N' Sea further enhances 3M RV/Marine's reputation as a leading supplier of water filters", said Thomas Holler, Director of Business Development for 3M RV/Marine. "Land N' Sea has such a broad reach, targeting consumers and dealers," he said. "This arrangement provides further evidence that 3M RV/Marine has achieved its objective of becoming an industry leader."

Land N' Sea is part of the Brunswick Corporation, which owns 14 boat brands such as Sea Ray, Boston Whaler, Bayliner, Hatteras Yacht and others. They also sell into aftermarket channels and through independent marinas and service yards. Authorized dealers check inventory, order merchandise and manage their accounts on-line using the Land N' Sea Internet System.
